10. CA, Los Angeles County
11. CA, Orange County
12. NY, New York City Metro
13. TN, Middle Tennessee
14. TX, Greater Houston

“ For me, education is really important. For people who are discouraged about not being able to use their degrees, or who are not going to school because they weren’t sure what was going to be the next step – DACA has been an answer to that. Now that people can work legally, they’ll be able to use their degrees. They’ll be able to apply to jobs they weren’t previously able to.”

- DACA recipient served through Delivering on the Dream

www.gcir.org/about/special_initiatives/deferred_action

1 All figures refer to 2013-2015 cumulative data unless otherwise noted.
2 Includes eligibility screenings and intakes for both DACA and other forms of permanent immigration relief.
3 Deferred Action for Childhood Arrivals (DACA) allows undocumented youth to remain in the U.S. for two years and receive a work permit.
4 Funders new to the initiative in 2015.
5 Includes local government sources earmarked for California and New York City.
